

# OBEY

Written by Tom Smith & Nick Herbert

## Verse 1

**G** **C**  
Come take my heart and soul, God I'm giving you control  
**Am** **Em** **D**  
I'm handing over everything to you  
**G** **C**  
This cross before my eyes, is offering me life  
**Am** **Em** **D**  
I'm trading every doubt and every fear  
**Am** **Em** **D**  
All to know your presence with me here

## Chorus

**C** **G** **D**  
I will trust You and obey, I'll follow You Lord in every way  
**Em** **D** **C**  
I wanna live for You, living out every word You say  
**G** **D**  
I know it's what Your heart adores, when I lay my life down to follow Yours  
**Em** **D** **C**  
I wanna live for You, living out every word You say

## Verse 2

Let every move You make, define the steps I take  
With You I know I'll never walk alone  
The greatest love my heart has ever known

## Bridge

**Em** **C**  
Whatever the cost, whatever the price  
**G** **D**  
Whatever the sacrifice  
**Em** **C**  
I'll go when You call, I'll wait for You Lord  
**G** **D**  
Your presence is my reward
