

SOUL SURVIVOR SUNDAY

SUGGESTED OUTLINE

So you're going to run a Soul Survivor Sunday – yay! We've drawn up a suggested outline for you to follow for the service, but feel free to use as much or as little as you like. You could have an entirely youth-led service with young people doing everything from running the welcome and refreshments to leading the service, preaching and leading worship. Or you could include a 10 minute slot in the notices for the young people to share. It's totally up to you!

WELCOME & NOTICES

Explain that this service may be slightly different as the young people will be sharing about their time at Soul Survivor.

FEEDBACK FROM SOUL SURVIVOR

Feel free to show some photos, share some facts and figures from the summer, play a video (you can find some of our highlights on YouTube) and have the group share some testimonies of their own!

WORSHIP

Why not have the young people leading the worship for this service? Maybe introduce some of the new songs you learnt this summer.

OFFERING

Would you consider donating your collection from this service to Soul Survivor? There is no compulsion to do so, but as a charity we really appreciate all the support we are given so that we can continue doing what we do!

SERMON

This could be handed over to your church leader, or why not have a young person share a message?

PRAY

Let the young people be the ministry team! Take this opportunity to pray for the rest of your congregation for them to be filled with the Spirit. This could include asking God to heal people of physical or emotional pain, to empower them to be his witnesses, or to set them free from the things that may be holding them back. Make space to wait on God and see what he wants to do!
