## What is Soul Survivor?

Soul Survivor summer conferences are non-denominational Christian events for young people (aged 12-18) of both church and non-church backgrounds. We long to see teenagers in transforming personal relationships with Jesus and to be envisioned, empowered and equipped to serve him in every area of their lives. Each summer we run four events for teenagers – one in Stafford, one in Scotland and two in Peterborough – as well as an event for the whole church called Naturally Supernatural, which also takes place in Stafford.

Our conferences reflect our two great passions: to go deeper in our relationship with God and to have fun! Thousands of us gather for five days, where every morning and evening we get together for extended times of worship, teaching and ministry. We have three seminar slots throughout the day, covering lots of different topics relating to how young people live out their faith. We also have cafés, sports, music, films and more during the afternoons and evenings so that the events are buzzing from morning until night!

Our events are unashamedly all about Jesus but we try and make everything accessible for those who don't consider themselves Christians and/or who don't have a church background.

If you'd like to find out more about our vision, values and history you can read more at [www.soulsurvivor.com/about-us](http://www.soulsurvivor.com/about-us).

## When and where is it?

Soul Survivor Scotland is being held at Lendrick Muir in Kinross, beginning on Saturday 21<sup>st</sup> July 2018. We'll gather together in the Big Top for our first meeting at 7pm that evening, so it's best to arrive earlier in the afternoon to get your campsite set up (the site is open from midday).

The event finishes on Wednesday 25<sup>th</sup> July with all our venues closing at 11.30pm that evening, but you are welcome to stay on site and leave the following morning as long as you vacate the site by 9am.

## How much is it?

### Prices and booking deadlines

There are several different prices for the event depending on how and when you book and pay in full; you can save money by booking in advance and booking online. We don't offer any large group discounts as we think it's fairer to offer everyone the opportunity to save money by booking early.

Here's a breakdown of the prices and deadlines for summer 2018 (please note there is an additional £5 administration cost for any tickets not booked and paid for online, including those booked during the event):

Type of ticket	On or before 31 <sup>st</sup> Jan 2018		On or before 1 <sup>st</sup> May 2018		After 1 <sup>st</sup> May 2018	
	Online	Paper	Online	Paper	Online	Paper
Adult 12+	£97	£102	£107	£112	£117	£122
Kids 0-4	£53	£58	£58	£63	£63	£68
Kids 5-11	£73	£78	£78	£83	£83	£88

**Please note: you will only qualify for the discounted price by paying in full by the deadline. If you've started a booking but haven't made full payment, the price will still go up at each deadline until you've paid the full balance.**

## What's included?

The price includes entry into everything. That means we'll provide enough space for you in the campsite, plus entry into all the main meetings, seminars, cafés, sports, films, activities and any other goings on around the site. There may occasionally be an extra pop-up event or activity which costs a little extra and if so we will let you know about that in advance.

The things you will need to arrange yourself are your transport to and from the event as well as your camping equipment and your food. You'll need to bring those with you, though there's a small shop on the site for essentials and a supermarket nearby.

Holiday insurance isn't compulsory but we're not able to offer refunds after the 1<sup>st</sup> June 2018 so you may wish to arrange cover in case there is an emergency that means you can't attend.

## Fundraising ideas

Fundraising is a great way to help finance your trip to Soul Survivor. There are loads of ways you and your youth group can raise money, from events such as a sponsored silence, shave or swim, to running a big event together, like a fashion show or concert. Be as creative as you like! Don't forget you will need to raise enough to cover your food and travel costs too.

## How do I book?

Go to **booking.soulsurvivor.com** and pick your chosen event from the list. You'll be prompted to register an account with us which you'll keep for every Soul Survivor event you come to. All your bookings will be tied together under the email address you provide.

It's a good idea to start off your booking by adding the person in charge (the group leader - who must be over 18). They will receive the wristbands in the post and arrival information for everyone.

You can add up to six young people per adult in the group. Your young people won't be able to book on unless you have enough adult leaders so it's a good idea to book as many leaders in advance as possible (and it will also save you money if you book before the early bird deadlines).

## Adding bookings

You can keep logging in and adding more people as many times as you like, right up until the day before the start of the event. Young people can also log in with their own account, pay for themselves and join your group as long as you have booked yourself in first. They'll be asked to give the email address of the person whose group they're joining, so all you need to do is give them the email address that you used when you set up the booking. You'll be able to view all the people who have joined your group in the '**Groups I lead**' section.

## Changing bookings

You can log back in and change the details on your booking whenever you need to. If you've had someone drop out but a new person wants to come in their place, you can get in touch with the office with the details of who is being replaced and the name, date of birth and address of the replacement, and we will be able to arrange this transfer up until the deadline of 1<sup>st</sup> June. After 1<sup>st</sup> June, this can only be done in Info at the event and will cost £1 per transfer. The wristband for the person being replaced would also need to be handed over for the transfer to be processed.

Remember to make sure everyone's date of birth and address are correct. We need this info so we can refer young people to local services (such as hospitals and social services) if needed.

If you need to cancel or change which event you're coming to, or anything else a bit complicated, just email us at **bookings@soulsurvivor.com** and we'll be happy to help.

### **Saving money**

Watch out for the discount deadlines! Only paying in full before the deadline qualifies you for the discounted price.

## **Communication before the event**

### **Booking confirmation**

We'll send you an automatic email after you've booked online. This will be a quick summary of your booking and the people you've added so far. If you add more people later on or other people book themselves onto your group, you'll get another email. You can contact us at **bookings@soulsurvivor.com** if you want to check the full list of people in your group, or if the confirmation emails don't provide enough information for a receipt.

### **Arrival information**

We'll email you a few weeks before the event starts with your arrival information including how to get to site, what time to arrive and our site rules.

### **Wristbands**

At around the same time as we send out the arrival information email, we will send you the wristbands for everyone in your group. You'll all need to wear your wristband throughout the whole event as it is the only thing that will allow you access to the site and all the venues. Any children's wristbands will just have their surname and which group they will be in. Children must be registered for kids work separately when you arrive at the event. A registration form will be sent to the group leader with the wristbands and must be brought on the day in order to register.

If there are any late bookings you may be sent the extra wristbands later or have to collect them from Info when you arrive.

## **Organising a group**

### **Admin**

For each young person we will need a full name, address and date of birth (a phone number is also helpful). We do not need any other information but here are some things we suggest you get for yourselves:

### **DBS (formerly CRB) for your leaders**

Your young people are your responsibility throughout the event so we require one over 18 for every six young people under 18. We don't need to see the DBS certificates for your leaders but we suggest that you do this for your own records.

### **Risk assessment**

You may be asked to carry out a risk assessment. This is common for social services if you're bringing someone in your youth group currently in foster care. We can't provide a risk assessment for you but you can find useful guidance in assessing health and safety risks on the HSE website:

**[www.hse.gov.uk](http://www.hse.gov.uk)**

### Contact info

You (the group leader) are the person we will contact in an emergency. However we suggest you collate a list of the young people's emergency contact details and store them somewhere safe so you can call their homes if needed. It's wise to keep a printed list of mobile numbers in your group in case your phone battery dies.

### Medical or allergies information

Although we have a first aid team onsite, any ongoing medical treatment (such as allergy tablets) can be administered by you, as well as basics like plasters and painkillers. We suggest you note down any allergies or medicines taken in case of emergency. The first aid team would be happy to store any medicine for you in their fridge if that's required and it would be great if you could pop in at the start of the week and let them know about any potential health problems in your group so they can be prepared.

### Kit list for you

While everyone is different and group sizes vary hugely (you might have ten young people, you might have a hundred!), there are some basics that you almost always need for camping. We have included a kit list in the appendices of the guide.

We advise you not to bring any valuables as tents can't be secured; anything you do bring is entirely at your own risk.

### Food

The nearest supermarket is Sainsbury's in Kinross (KY13 8FH). It's a 10 minute drive away and you can get printed directions from the team in Info.

There are food vans on site serving fast food, as well as a café serving tuck shop style food.

Remember that you (the group leader) or someone you nominate needs to take charge of food safety, which includes storing food at the correct temperature, making sure it is thoroughly cooked and that leftovers are disposed of properly.

### Generators & electrical hook ups

Unfortunately **we do not allow generators on site** under any circumstances due to warnings from the local fire safety authority about their safety.

We can arrange for a small number of electrical hook ups, but you will need to pay for the electricity, the electrician's time and administration costs. Priority (and lower fees) will go to people with a medical or physical assistance need, such as powering mobility equipment. Electrical hook ups **must be arranged in advance**, so please email [info@soulsurvivor.com](mailto:info@soulsurvivor.com) for an application form and more information about pricing.

## Transport

Soul Survivor Scotland is being held at Lendrick Muir in Kinross.

The address for your satnav is:

Lendrick Muir  
Rumbling Bridge  
Kinross

KY13 0QA

We are unable to provide any transport so you'll need to arrange your own travel to and from the event.

### By road

Lendrick Muir is situated just off the M90 about half an hour north of the Forth Road Bridge.

#### From the South

If you're coming from the South you'll come to Lendrick Muir one of two ways – up the A1 or up the M6. If you're coming up the A1 head for Edinburgh, join the A720 round the city centre and then head over the Forth Road Bridge on the M90 up to Junction 6. From there it's a 10 minute drive down the A91, a jink down Naemoor road on your right and you're there.

If you're coming up the M6 carry on until you hit the A74 (M). That will turn into the M74 but before you hit the centre of Glasgow take the M73 and M80 North towards Stirling. Just before Bannockburn and before you can say "Robert the Bruce" take the A91 east towards Kinross and take Naemoor road on the left.

#### From the North

If you're coming from the North, aim for either the M90 (East coast) or the M9 (West coast innit) and you'll join up with the A91 then follow the instructions above.

### By rail or local bus

Alloa is probably the closest station to Lendrick Muir but for more frequent arrival and departures, Stirling is the better option with trains to Edinburgh and Glasgow leaving and arriving every 30 minutes.

The number 23 bus connects St Andrews and Stirling and will go through the nearest stop of Rumbling Bridge. Details can be found on the Stagecoach website.

# At Soul Survivor

## Arrival

### Camping villages

The booking form asks about the number of tents you are bringing. Whilst there is no limit on the amount of tents that you can bring, we do ask you to be accurate in what you tell us so that we can fit everyone on site. Keep your camping info updated by logging into your online account and checking the **'Accommodation'** section. Please be considerate of other groups and only bring what you need. There is no need to try and keep space for things like sports as there is plenty of room in other areas of the site to play games.

We do not allocate you to a specific camping village for this event, so you can choose where to pitch your tent from the camping space available when you arrive. When you arrive your village host should be around to say hello. They are there to make sure you have a great time at Soul Survivor so they can help with anything from making sure your village meets fire safety regulations, to pointing you in the direction of all the info about Soul Survivor that you might need.

### Car parking

When you arrive, drive your car or mini bus to the car park and walk your belongings over to the camping area. If you are arriving by coach, you must notify us in advance so we can make sure you get dropped off/picked up from a more accessible place. Camping area is accessible for coach drop off/pick up.

### Programmes

When you arrive on Day 1, you'll be able to purchase a programme for the week for £2.50 with all the important information you need! It will include info about the venues, a timetable and descriptions for the seminars, maps of the site, speaker bios and loads of other useful bits and bobs. You'll also bag yourself a couple of vouchers to get money off some items on the Soul Survivor stand in the Tool Shed. These programmes will be available from Info, outside the Big Top and in the ToolShed.

## Daily routine

### Main meetings

Starting on the evening of Day 1, we all gather together each morning and evening for times of worship, teaching and ministry. These meetings are one of the best things about our time together and they're all about spending time in God's presence, worshipping him, hearing from his word and praying for one another in the power of the Holy Spirit.

### Worship

Worship is at the heart of being a Christian and therefore at the heart of all we do at Soul Survivor. When we gather together, we make loads of space to sing our praises to God to tell him how amazing he is. We believe worship is a place where we can draw close to God and be intimate with him.

### Teaching

During each meeting, we make time to look at God's word together and hear from a speaker who will help us apply what we read in the Bible to the things that are happening in our lives and in the

world around us. We try and make the talks fun so that they are easy to listen to and engage with as we want to inspire and equip young people.

### Ministry

We want to live in God's power and that means we need to spend time in his presence. During ministry times we make space to wait on the Holy Spirit, asking God to meet with us and do what he wants to do. As Christians the Holy Spirit is always living in us but in these times we're inviting him to heal us physically and/or emotionally from things that have hurt us; to equip and empower us to live for him in our everyday lives, to give us his gifts, and to give us a greater understanding of who God is.

If you or your young people are not used to praying in this way, don't worry! Mike and the team will talk everyone through what's going on, how to receive and how to pray. We have some ministry guidelines that you can read on our website and there will be an enabling team around to answer any questions.

### Communion

During our morning meeting on the last day, we gather together an hour earlier so that we are able to take Communion together. This is a great opportunity to reflect and give thanks for all that God has done. There will be stations serving non-alcoholic wine and gluten free bread and these will be pointed out from the stage. Catholic Mass will also be available.

### Seminars

Every day we have a jam packed schedule of seminars. These are 45 minute talks focused on a particular topic, covering all sorts of subjects such as praying for people, worship, reading the Bible, mission, being bold, and being set free from pain. There are three slots a day, so feel free to head along to as many of these as you like, and encourage your young people to do the same.

Some groups gather together each morning and look at what seminars are coming up that day. People are often more motivated to go when they know others are going too and it might be that you/some of your leaders can take groups to particular seminars you think would be of particular interest.

### Afternoons & evenings

As well as seminars, there is a ton of other stuff going on to fill the afternoons and evenings. We have cafés with plenty of hot chocolate mountains and slabs of yummy cake, plus some top notch music to boogie to in the evenings. There will be lots of sports you can get involved with, and a movie every evening (unless the weather causes some re-location of other activities!). We'll also be having some surprise pop-up events during the week; details will be announced nearer the time! Only our Scotland event gets to enjoy the Ceilidh on our last night together.

We really encourage you and your young people to get as involved as you can whilst at Soul Survivor. Engage in the worship, take notes during the talks, go along to seminars, make friends and pray for people. If there is anything you are not sure about or think we could do better, then come to Info and let us know - we would love to know what you think!

It's always wise to plan some time out for yourself and your other group leaders each day. Check in on each other and try and have coffee together to keep a sense of team spirit – whilst it can be exhilarating seeing young people meet with Jesus, it can also be exhausting being surrounded by teenagers for five days!

## Additional support

### Enabling

Our enabling team is made up of people with experience in praying for people and they are there to support you and your youth group to pray. They are mainly based in the Big Top but also pop along to some seminars. They will walk around the Big Top making sure everyone is OK and may occasionally offer suggestions. They will be identifiable by their badges which say 'Enabling' on them!

### Chat Room

We have a brilliant team of people who are on hand to chat during the afternoons and evenings. We invite young people to come to the Chat Room if there's anything - big or small - that they'd like to discuss with someone who is outside of their situation. We offer prayer but this is not a counselling service. It is run alongside our Connect team (detailed below) who will step in if there is an issue that requires professional and/or ongoing support.

### Connect

Sometimes information is disclosed in the Chat Room or during a ministry time that require us to take more serious action. Our Connect team is made up of professionals that are knowledgeable in safeguarding procedures. They are there to support anyone onsite but mainly to make sure the correct action is taken to ensure that the delegate is taken care of when they leave the event, whether that is by you or by your local services. This team will liaise with you as the group leader of any young person they.

### First aid

We have a first aid team who are on call 24/7 in case of emergency. They are a mix of doctors, nurses and first aid trained professionals. If any of your young people are showing signs of diarrhoea or vomiting we ask that you leave them in their tents and call for the first aid team to come to you to reduce the risk of it spreading. To get in touch with the first aid team, please contact your village host or pop to Info.

In case of an emergency **please do not call 999** but call our emergency number **0300 302 0330**. (This number will also be on your wristband.) This might sound counterintuitive but an emergency vehicle will get to you much quicker if you allow our site management team to direct them.

## Facilities available

### Phone charging

There are several charging points available in the café venues: please tell your young people not to leave their phones unattended.

### Getting cash

Unfortunately there are no cash machines on site so we suggest you and your young people bring some cash with you. There are cash points a short drive away at Sainsbury's in Kinross.

### Toilets & showers

We provide significantly more than the required minimum of toilets and showers for a group of this size but if you want to shower at peak times, you may have to wait. We suggest showering in the afternoon or evening to help keep queuing to a minimum. We have a cleaning crew working throughout the day to keep things nice but depending on the weather, there may be a bit of mud. If you spot any problems with showers or toilets, please report them to the Info team.

## Departure

Day 5 is a full day, with all the usual meetings, seminars, cafes and evening entertainment. The conference finishes with the last venues closing at 11.30pm. So that you can make the most of the evening, we're happy for you to leave the following morning, but you'll need to make sure you're all packed up and on your way before 9am. If you'd like to head home after the evening meeting on Day 5, that usually wraps up around 9pm.

You can bring your car to your village to pack up any time from the afternoon of Day 5. Once you've packed up please move your car back to the car park straight away.

## Feedback

### Testimonies

We love hearing how God is meeting with people at Soul Survivor and anyone who wants to give a testimony can fill out forms by the side of the stage which we read throughout the event, and we share some of the stories from main stage. We also have an email address specifically for people to share their testimonies: [testimonies@soulsurvivor.com](mailto:testimonies@soulsurvivor.com).

### +Feedback

We want to know what you think! After each event, we release online surveys that we would love you and your young people to complete (and you may even win some Soul Survivor goodies for doing so!). This is a great way for you to let us know what you loved about the events and where you think we could improve things. For any longer feedback, or anything you would like a response to, you can get in touch with our team by emailing [info@soulsurvivor.com](mailto:info@soulsurvivor.com) or giving us a call **0303 333 1333**. Please note that while our events are on (up to the 28<sup>rd</sup> August) we will have limited time to respond and then our offices are usually shut for a couple of weeks to allow the team to recover so we apologise if it takes a while to get back to you.

## Follow up

### Soul Survivor Sunday

This year's Soul Survivor Sunday will be **Sunday 9<sup>th</sup> September 2018**. This is a great opportunity for your young people to feed back to the rest of your church about their time at Soul Survivor. We also hope that it might encourage the young people to step out in some of the things they've learnt about such as praying for people. It is completely up to you and your church how much of the service you would like to dedicate to Soul Survivor Sunday. You could have an entirely youth-led service with the young people doing everything from running the welcome and refreshments to leading the service, preaching and leading worship. Or you could include a 10 minute slot in the notices for the young people to share. We'll put some resources on our website to help, including a PowerPoint template that can be used, some videos that can be shown, and a bunch of testimonies that can be shared, and will provide a suggested outline for the service. There is a section about the day in our FAQs at <https://soulsurvivor.com/faq/soul-survivor-sunday/>

### Throughout the year

#### Bible in One Year

We are passionate about helping young people get into God's word so each September we start Bible in One Year and New Testament in One Year reading plans. Head to [bible.soulsurvivor.com](http://bible.soulsurvivor.com) to find videos that accompany the day's passages.

### Resources

We provide a whole load of resources to help encourage and support young people in their walk with God the whole year round, from a thriving YouTube channel ([www.youtube.com/soulsurvivoruk](https://www.youtube.com/soulsurvivoruk)) full of video content to an online magazine released once or twice a year. We've also got an online shop which sells loads of the latest Christian books and CDs to resource young people and put up the chord charts to the new worship songs we have been singing at our events.

### Other events

We run events throughout the year. Check out [www.soulsurvivor.com](http://www.soulsurvivor.com) for more information on these events.

## **Additional information**

### **Why do we need one adult to six under 18s?**

We ask for a minimum of one adult to every six under 18s in your group although you are very welcome to bring more adults than this. This enables you to support your young people pastorally during the event where there may be lots of things they would like to talk about, and often means they have ongoing support when they get home. Having extra adult support will also help with the practicalities of taking a group camping such as setting up tents and getting food organised for everyone.

### **Is there any additional support for people with additional or specific needs?**

We are able to provide some support for people with additional or specific needs. For more information, please contact us at [info@soulsurvivor.com](mailto:info@soulsurvivor.com).

### **Photographers and videographers**

We have photographers and videographers wandering around taking pictures and video for future publicity. They will be wearing an 'AAA photographer' or 'Media' badge for identification. Please be assured that any video shot during ministry times will be handled with the greatest sensitivity in order to respect everyone's privacy. Please ask your young people not to take photos or video during ministry times.

### **FAQs**

You can find a full FAQ section at <https://soulsurvivor.com/summer/#faqs> which will hopefully answer any other questions you may have!

## What is Soul Survivor?

Soul Survivor summer conferences are for any young people (aged 12-18) and they reflect our two great passions: to go deeper in our relationship with God and to have fun! Thousands of us gather together for five days where every morning and evening we get together for extended times of worshipping in song, hearing teaching from the Bible and praying for one another in the power of the Holy Spirit. We also have seminars throughout the day, covering lots of different topics such as being a Christian at school, relationships, self-esteem, understanding the Bible, dealing with fear and anxiety, and leadership.

We have cafes, sports, music, films and more during the afternoons and evenings so that the events are buzzing from morning until night! We'll also be having some surprise pop-up events during the week with details announced nearer the time. To stay up to date with our plans, check out our Facebook page ([/SoulSurvivorUK](#)) or follow us on Twitter ([@SoulSurvivorGB](#)).

Our events are unashamedly all about Jesus but we try and make everything accessible so that everyone feels welcome.

If you'd like to find out more about us check out our website [www.soulsurvivor.com](http://www.soulsurvivor.com) and our videos on YouTube ([SoulSurvivorUK](#)).

## Important things to know

- When you arrive you will be able to buy a programme telling you about all the venues, and everything that is going on during the week for £2.50.
- There are no cash machines on site – all the venues are free to get into but you may want to have some money for food from the food vans, cakes/drinks/snacks in the cafés, and buying resources in the ToolShed.
- As valuables can't be secured in tents, we suggest you leave them at home.
- Please don't bring anything dangerous (such as knives, BB guns, or fireworks) or any alcohol or illegal drugs. If we find you with them they will be confiscated and you will be asked to leave the event.

## Appendix 2 - Important info form

This form is an example of the information you should collect from your young people, in case of an emergency.

## Appendix 3 - Site rules contract

This is an optional contract to make your young people aware of the relevant site rules. This does not need to be sent to us but kept for your records. There will be a full list of these rules in the programme. If you have any questions about rules please contact [info@soulsurvivor.com](mailto:info@soulsurvivor.com)

1. Be street-wise - don't go off with strangers, don't arrange to meet anyone in dark corners of the site, and at night make sure you go to your own bed (sleep walking is not a great excuse!).
2. No campfires outside of those organised by Soul Survivor. Eat the marshmallows raw (they're less messy that way).
3. Stay in groups of twos and threes after dark.
4. Keep gas cylinders away from tents - not in them! On that point, no birthday cakes with candles, no lighters or any other naked flames near the tents.
5. Respect the property and buildings on the showground.
6. Remember to drink lots of water, even if it's raining but especially if it's sunny. Should the sun decide to grace us with its presence, please use sunscreen.
7. Make sure (if you are under 18) your youth leader always knows where you are.
8. Strictly no alcohol, drugs, intoxicating agents (such as 'legal highs'), or drug paraphernalia on site - except when medically prescribed. Anyone found in possession of drugs or alcohol will be evicted from the site and refused further entry to the event. Any such incidents will be reported to and dealt with by our site management team and the police as we deem appropriate.
9. Event wristbands must be worn at all times - they are the only way to get into venues. There is a charge to replace lost ones.
10. Smoking is not permitted inside buildings, marquees or individual tents and caravans.
11. Ball games are to be finished by 10pm - even if there is a nil-nil outcome.
12. Roller blading, skateboarding or cycling can only occur after dark if you have appropriate lighting.

I agree to follow the site rules of Soul Survivor and my youth group/leaders.
